Dear Sir:

On December 2, 2003, Applicant filed an information disclosure statement and PTO form 1449 which contained a typographical error.

Specifically, two Japanese patents listed under “Foreign Patent Documents” on form 1449 were submitted with complete English translations, not just English abstracts. Thus form 1449 should have an “X” under “English Translation” for Japanese patent application nos. JP 4-369271 and JP 5-102483. Accordingly, we are submitting a new 1449 form with this information.

If any fee is required in connection with this matter, please charge Deposit Account no. 50/1039.

Respectfully submitted,

Wm. J. Mc
